2. PROPERTY INSPECTIONS

MDPM conducts 2 exterior inspections of each property annually to assess the condition of the property for safety issues and deficiencies. Notes and photos are kept on file and shared with the owner. We also perform an interior inspection of the home around 6 months prior to the end of a 12-month Lease. MDPM reserves the right to perform an interior inspection once per year, or any time the owner requests one. If this standard walk-through procedure is going to cause you a problem, we recommend that you stop now and do not apply for one of our homes.

3. SMOKING

NO smoking or vaping is permitted inside the home or garage. No exceptions.

4. INSURANCE

5. DISABILITY ACCESSIBILITY

Any concerns should be submitted in writing to MDPM. Any modifications are at the expense of the disabled person, and the disabled person must agree to restore the premises, at their own expense, to the pre-modified condition (provided the modification would affect the use and enjoyment of the premises for future residents.) MDPM would require written proposals detailing the extent of the work to be done, approval from the owner before modifications are made, appropriate building permits with required licenses made available for the owner's inspection, and a restoration deposit may be required per Fair Housing guidelines.

6. SCHOOL BOUNDARIES

School enrollments can be capped, and designation boundaries may change, so Applicants must verify school information and investigate any concerns prior to submitting an application.

START OF LEASE

- Vacant homes. It is MDPM's policy that all Leases on vacant homes must begin within 14 days of application approval. We are unable to hold the home rent-free without a Lease agreement.
- Occupied homes. MDPM will advertise a first available date on homes we manage. In some cases, that date may need to be changed due to circumstances beyond our control. In those cases, we ask for the approved Applicant's flexibility. We understand the burden that this can create and strive to advertise a solid date so incoming tenants can plan accordingly.
- Site-unseen homes. It is possible to sign a Lease without ever seeing one of our homes in person if 1) a relative, friend, or leasing agent video-taped the property for the Applicant(s), and 2) the Applicant(s) signed a Site-Unseen Addendum to the Lease which names a "Trusted Advisor" outside of MDPM who offered their opinion as to the condition of the home.

REASONS FOR DENIAL OF APPLICATIONS include, but are not limited to, the following:

- an incomplete application, or we are unable to verify any of the required information
- failure to give your current landlord proper notice to vacate
- a current or previous landlord is unwilling to rent to you again
- an unpaid collection was filed against you by a property management or utility company
- you have been evicted within the past 5 years
- you have received a 3-day notice to vacate within the last 12 months
- you have had 2 or more NSF checks within the last 12 months
- you had an unauthorized occupant or pet lease violation within the last 12 months
- you operate a business from the property (any home-based business requires approval)
- requesting a lower rent amount, or a change to any paragraph of the Lease Agreement
